Read and answer the questions

- 1. Do Eddie and Hobo see a UFO? *No, they don't.*
- 2. What do they see in fact (事实上)? *They see a plane*.
- 3. Why doesn't Eddie think it is a plane?

 Because Eddie thinks there are many bright

 lights in it and it's too small.

Retell the story

One day Eddie and Hobo looked at the sky. Eddie thought he saw a UFO but Hobo thought it was a plane because he saw one yesterday. Eddie thought there were many bright lights in it and it was too small, so it couldn't be a plane.
